## Landmark Vineyards Awards \$50,000 to Local Nonprofits

### *10 Organizations Receive Funding for Community Projects and Services*

**Kenwood, Calif. (April 2, 2019)** – Landmark Vineyards today announced \$50,000 in awards to 10 nonprofit organizations through the Landmark Community Grants program. These grants support projects and services in Sonoma Valley and Russian River Valley, two regions of Sonoma County where many Landmark employees live and work.

Since 2014, Landmark has donated over \$250,000 to local organizations through grants and employee-directed donations. The organizations receiving grants this year were selected by a committee of employees who volunteer annually to identify worthy organizations that provide projects and services that directly benefit the local community.

“We are deeply committed to supporting local efforts that are meaningful to our employees and that ensure Sonoma continues to prosper,” said Clarence Chia, senior vice president of marketing for Landmark. “We are grateful to be supporting these incredible organizations this year which work diligently every day to support the needs of the community.”
